

FCHS Staff Membership Form 2013-2014

Welcome back to another school year! The FCHS PTSA has lots of things planned for our school this year.

We are hoping you will consider joining PTSA this year. We had over 50 staff members join last year - and we are hoping even more will join this year!

Our membership is \$10 for staff. \$3.25 of this goes directly to dues to our national/state/local PTA chapters, and the rest goes into our PTSA funding. Membership is our main fundraiser.

PTSA hopes to have a bigger voice in our school and our community during the upcoming school year. We will continue to help support special programs, student activities and teacher appreciation. The more our membership increases the more of these programs we can lend support to!

Please help us to make this happen!

Let's make 2013-2014 a great year for Falls Church High School!
